If your dancer is in the 6 pm show - your call time is 6:00 PM

We would love to have your dancer join us for a Stage Rehearsal the day before their big performance. We want your dancer to get a feel for being on the stage under the lights with their class before they perform. We hope this helps with performance jitters. Your dancer can wear any dance attire/athletic wear the day of Stage Rehearsal. Please bring the proper shoes for their dance performance. The dancers will be running their dances and getting their spots on stage. Please go to the auditorium once you arrive and sit with your child until their class is called to go backstage. We will go class by class on the stage for our rehearsal..

If your dancer is in the 10am and 12pm Show - your dancer will have a stage walk through. This will give our preschool dancers a chance to walk on the stage under the lights before their Big Show on Saturday.

We will be practicing our final bows at the end of every show. We ask that your dancer please stay till the end of their show tech rehearsal.

We are looking forward to a great Holiday Show!
